Energy Management

King of the Game

(With apologies to Roger Miller's King of the Road)

Politicos for sale or rent
Commissioners to schmooze, rules are bent
No honesty, no ethics, no veracity
I ain't got no integrity
Ah, but...two hours with scheming cronies
Buys a lot of profits for my homies
I'm a man of conscience by no measure
King of the game

Third payoff, midnight swap
Destination...public trough
Old worn-out slogans that are used
I don't worry about the customers abused
I stroke old stooges I have found
Dumb, but easy to lead around
I'm a man of conscience by no measure
King of the game

I know every interest on every gravy train
All their influence and all their games
And every kickback to every clown
And every cover-up to use
When corruption is found

I laugh,
Connections for rent or trade
Multiple profits for what's been paid
No mercy, no justice, no playing fair
I ain't got no morality to spare
Ah, but...twisting the truth
Buys a lot of cost pass-thru
I am man of schemes by all means
King of the game
